

# Have you seen these spiders?

© Chris Cathrine

## Zebra Spider

*Salticus scenicus*

Black and white. On sunny walls and fences. Moves with a jerky run.

© Chris Cathrine

## Four-spotted Orbweb Spider

*Araneus quadratus*

Britain's heaviest spider. Variable colour but always with four white spots on body.

© Chris Cathrine

## Nurseryweb Spider

*Pisaura mirabilis*

A large spider that spins a distinctive silk retreat in tall vegetation.

© Colin Legg

## Daddy Long-legs Spider

*Pholcus phalangioides*

Delicate spider with very long legs. Inside buildings often in a messy web.
